The corner stone of the Marlinton Presbyterian Church will be laid with Masonic ceremonies by the Most Worshipful Grand Lodge A. F. & A. M. of West Virginia, September 9, 1915, at 12 o'clock noon.

Grand Master William T. Ice will be present.

All Masonic Lodges of this and adjoining counties are invited to be present and anticipate.

Every one cordially invited to be present.

The oration will be delivered by some one to be selected.

MARLINTON SCHOOLS

Tuesday, September 7, has been set by the Board of Education as the opening day of the Marlinton schools. The high school will be in session for nine months and the grades for eight months. All the teachers are here attending the institute, so all will be ready for work next Tuesday morning.

Miss Lillian Loucks, the assistant in high school, is a graduate of Oberlin and has taught one year. Arden Killingsworth, who completed his normal course in Marshall College, will teach the seventh and eighth grades. Miss Katherine Irvine will teach the sixth grade again this year. Miss Nellie Wade of Huntington, who completed the art course in Marshall College in 1914, is the fifth grade teacher. Miss Annie Sullivan will teach the fourth grade. The third grade teacher, Miss Elinor Creel, is also a Marshall College graduate. Mrs. Nora C. Burns is to teach the second grade again. Miss Laura Moore, of New Cumberland, W. Va., is a primary teacher of experience and has had normal school training.

A three year high school course will be given again this year. Work done in the high school is given full credit at the University. The Board of Education is providing a considerable number of books for the high school library. Some new equipment, and a scientific apparatus are being secured. With these improvements, the work in English, history and science will not be hampered as in past years.

The Board of Education is having the building repaired. The outside of the basement has been given a coat of cement and the roof has been painted and repaired. The C. & O. has granted a special rate of one and one-half cents a mile to children attending the Marlinton school. This will enable pupils living near the railroad to attend school here and still live at home.

MY TELEPHONE

Do I want to call a neighbor
Just to ask her for a loan,
With alacrity I hasten
To my trusty telephone.

Does a guest come in for luncheon,
And the larder's clean and bare,
A call upon the telephone
Insures the needed fare.

And a friend would cheer the hour
My telephone will bring her;
Am I tired, bored, and lonely,
With its wondrous magic power.

If a dinner I am giving,
And for time am sore depressed,
I rely upon my telephone
To summon all the guests.

In the darkest of night's shadows
It fulfills its greatest mission,
When to a suffering one it brings
The family physician.

In short the things it does for us
Would take much space to mention;
There's not a word of praise too great
For this marvelous invention.

THORNY CREEK

Crummett Bros. are around with their threshing machine. The wheat crop is excellent in this section.

Children's Day at Mt. Zion was well attended the 22nd. Six hundred people were there and none went away hungry. The recitations were excellent. Glen Arbogast from Arbovale, was organist.

We were glad to see Sheldon Moore able to be among us again. Rev. Ramsey and wife are visiting in this part. We hope to have him back another year; he has done great work here.

Miss Grace Kellison was the guest of Miss Hattie Bambrick recently.

Rev. Ramsey will commence a protracted meeting at New Hope the coming week. May they have a glorious meeting, and much good be done.

SUNDAY SCHOOL

Pocahontas County Sunday School Convention which was held in the M. E. Church, South, at Durbin, on Saturday and Sunday August 28 and 29, was a decided success. Representatives from all over the county were present, bringing with them glowing reports of the advancement that was being made along all lines of Sunday School endeavor in their different districts and schools.

The program rendered was by far the strongest of any association in the county. Among those taking part on the program were Rev. J. H. Bean, Rev. J. M. Walker, Rev. R. K. Nevitt, Rev. Geo. P. Moore, E. E. Stizinger, W. A. Howard, local; and Mr. Arthur T. Arnold and Miss Mary Rhea Lewis, sent by the State Association.

Mr. Arnold gave many forceful addresses on the different phases of Sunday School work, and Miss Lewis, who came to us this year for the first time, represented the Elementary Department of the Sunday School, and charmed the audience with her unique talks and of the children. In fact every speaker on the program gave us something worth while to carry away with us.

The music, rendered by the Durbin choir and good singers from among the delegates, was one of the most interesting and helpful features of the convention, and was appreciated very highly by those in attendance.

The Durbin Band, led by the efficient and genial leader, H. E. White, furnished us excellent music at the gathering of the different sessions, and also at the dinner hour on Sunday.

The Durbin people showed true West Virginia hospitality and opened their hearts and homes to the large delegation and visiting friends. We would like to make special mention of all who took part in helping to make the convention a success, but for lack of space we refrain. However we must not close this article without expressing our appreciation to the Rev. R. K. Nevitt, the pastor of the entertaining church, who by his untiring effort did all in his power to make those in attendance feel at home. Seldom have we ever met where the pastor took as much interest and did as much for the pleasure of all present. In short from beginning to end it was all that a Sunday School Convention should be, and all left feeling that they had been amply repaid for time and money spent. We feel sure that those in attendance went back to their schools with new resolutions and enthusiasm. We see a brighter day for the Sunday schools of Pocahontas county—a day when there shall not be left one school that is not fully organized and working. "A department in the Church of Christ for the purpose of bringing souls to Christ, and training up souls in Christ."

The officers for the ensuing year are as follows: President, A. S. Overholt, who so ably conducted our sessions this year; Sec. O. G. Arbogast; Assistant Sec. L. J. Moore; Treas. H. Lee White.

The next convention will be held in the new building of the First Presbyterian Church at Marlinton, sometime next August.

On September 1st, there will come in two new rules in the parcel post that are of importance to patrons of the postoffice. For one cent a receipt will be issued to show that the sender has deposited in the postoffice a parcel to be mailed. This will be of use to merchants to show the date and fact that the parcel ordered was mailed. The sender must make out the card. The other rule is that a parcel may be insured for a sum not exceeding \$5 for three cents; not exceeding \$25 for five cents; not exceeding \$50 for ten cents; and not exceeding \$100 for twenty-five cents.
